

Arriving to Class on Time

Suggested Year Levels: Middle School – High School

When to use: Every lesson

Background: Students who are constantly late to class are often the ones who are disorganized in other areas. It is up to teachers to reinforce the importance of being on time.

Materials:

Activities / Procedures

- Clear rules at beginning of year explaining what would happen to students who are constantly late to class
- Keep a record on students who are late
- Be consistent with punishment
- Model good behaviour – do not be late to class
