

Spelling Bank

Suggested Year Levels: Middle School – High School

When to use: Every lesson

Background: Students need to be taught how to spell subject specific words. It is not just the role of the English or Language Arts Department

Materials:

Activities / Procedures

- Discussion: At beginning of unit explain that you will be expecting students to learn correct spelling of specific words
- Class Spelling List: You can either provide one at beginning of unit, or you can create a list as you go throughout the unit
- Homework: Add spelling to your homework
- Pop Quiz: 5 word spelling test every couple of days. It won't take long and students will see that you think it is important.
